School Services Guidelines

- Additional fees may apply for all services based on length, thickness of hair and amount of product used. Long hair is considered anything 10 inches or longer and will require an additional charge of \$20.00.
- All color, bleach, highlights, etc. requires a P.D. test 24 hours before service, each time.
- All prices are subject to change without notice. Students under the supervision of an instructor perform all services. Final price determined by consultation.
- Redos must be done within one week of original service. Client pays for product only, no refunds will be given.
- We do not allow any food in the school.
- An adult who is not receiving a service must accompany all children under 16 years of age. We cannot be responsible for the safety of children while their parents, etc. receive services; therefore, no children are allowed on the floor unless receiving a haircut and accompanied by an adult. This includes car seats, strollers etc. Children are also not allowed to wait in the lobby area unless accompanied by an adult. Pets are only allowed in the school for medical reasons.
- Remember all work is performed by students and therefore may take longer than in a salon.
- If you plan to do more than one service on the same day, please arrive well before the cut off time.
